PMP® COMBO PROGRAM

PROJECT MANAGEMENT WORKSHOP PROGRAM FOR ALL PROFESSIONALS PURSUING PROJECT MANAGEMENT PROFESSIONAL (PMP)® CERTIFICATION

ID. 2653
PMP® COMBO PROGRAM

GET CERTIFIED IN PROJECT MANAGEMENT

WHY?

All businesses rely on their organization’s ability to achieve their projects' objectives. In order to ensure this vital PMP® certification is a ubiquitous certification for any project managers. It is highly recognized in many industries both nationally & globally. **Having qualified as a PMP® shows the experience, education and competency to lead a project** with satisfactory results.

The company that is supported by the PMP® will have higher chance in providing a higher level of confidence for the client or the project owner that the project will be run professionally and with much better results.

PMP® Combo Program is one of the special training program uniquely designed to help practitioners to prepare for the Project Management Professional (PMP®) exam certification from Project Management Institute (PMI), USA.

WHO SHOULD JOIN?

Experienced Functional Managers, Project Managers, Project Leaders, Project Team Members or any professionals who wish to take and to pass PMP® certification exam as well as Certified Associate in Project Management (CAPM)® certification.
By following PMP® Combo Program, it will save the candidates’ time to prepare and take the PMP® exam, supported by DCOptima’s Digital Learning. Thus PMP® Combo Program will increase the chances of the candidates to pass the PMP® certification exam at the first opportunity. This program consist of 2 (two) courses:

**MODULE OF COMPREHENSIVE PROJECT MANAGEMENT (CPM)**

3 (Three) days of Project Management knowledge, engineering and methods in managing a project comply with A Guide to the Project Management Body of Knowledge (PMBOK® Guide) latest edition.

**MODULE OF PMP® TUTORIAL SUPPLEMENT (PTS)**

2 (Two) days of PMP® exam questions and discussions

This module can be taken separately for the participants who want to understand project management comprehensively without taking PMP® Exam.
